About This Game

Sophie and Mike have been separated by an evil group and must now try and rejoin forces before taking on a great evil. But something more sinister is happening and may change the world forever!

With the help of their friends as well as other travelers Sophie and Mike must try to stop the Dark Lord and a mysterious organisation from not only taking over the world but taking over history.

Requirements Updated, Trading Cards and Coming Soon?:

Hey All!

I have updated the Minimum and Recommended requirements for the the game! These can be found on the store page.

While you're there you may notice that the Scheduled Release Date has been replaced with Coming Soon!

Don't worry, this doesn't been I will be pushing it back but I may be able to release it sooner!

As well as that there may be game extending updates released after the game goes live! (For Free of course 🤪)

And Finally I have submitted the Steam Trading Cards to steam for Approval. =D. **What's Going On?:**

Hey all, it's been a while.

Sorry that I've not been updating the game as much but here is what i'm working on!

- Bug Fixes
- More Plot (Following from the dragon event)
- Writing the script for the voice actors

- Secret Stuff!

That's all for now guys!. **New Achievements Added!:**

The following Achievements are now available in game!

- Out With A Splash
- Out Of The Frying Pan...
- Was It A Dream?
- I Got Sand In My Eyes
- A New World

Have fun collecting them and expect more soon!. **They must act fast...:**

... Because if they don't, the darkness will consume the light

[dl.dropboxusercontent.com]. **Mini Update(s):**

There have been a few mini updates today to fix some bugs (Out of bounds, walk through walls etc)

Thanks to user hcbsmits for finding them!

Fix List

- Spelling Errors
- Message cut off
- Walk through walls in Vents and Jandale Cave
- Getting stuck when going back to West Hall 2F from the vent entrance (Or West Hall 2F the second)
- Missing achievement "Hell's Blitz" now awarded after beating the dragon or in Blackwell Village if loading an old save
- Missing Item "Lab Key" will now be given to the player as expected.. **Achievements Are Back!!!!:**

Hey All,

Great news. Achievements have been fixed and added back into the game.

I have also fixed the Missing RTP Bug so have remove the temporary fix!

That's all for now!. **Dev Beta R-101 Released:**

The latest update changes updates the sprite for Jessie and Sophie as well as some small graphic fixes!. **Today's Update!:**
Hey all,

Sorry to say, but today's update does not add much. (Will release more soon)

Instead this has a lot of mini bug fixes etc.

However I have been nice and released it with a few new areas that should add around 15-20 mins of gameplay.

I will release more soon though so stay tuned!

Remember, the save location has changed so please also read this:
